MARCH/APRIL 2019

Community Announcements

Water Assessment. As we mentioned in the last newsletter, we have hired an engineer to assess our water system. The initial report indicates our well can provide water to all remaining vacant lots. We are currently undergoing an analysis on the existing system to confirm the infrastructure can handle additional connections.

Annual Association Meeting & Potluck

Friday, June 21, 2019

6-8 pm

Deception Pass State Park

Cranberry Lake Picnic Pavilion

Topics to be discussed: Water use goals*, status of projects (playground, etc.), and election of board members. See enclosed letter for more information and proxy.

*The Department of Health requires us to hold a public forum every six years to establish water use goals. Our current water use goal is: "Maintain average use per home of 134 gallons per day or less through 2018." Our actual usage per home has been 111 gallons per day (gpd), which is clearly below our goal of 134 gpd.

Neighborhood Rummage Sale

May 25-26, 2019

At the request of a resident, we are hosting a neighborhood-wide rummage sale. After all, one man's junk is another man's treasure.

Neighborhood Clean Up

June 17-23, 2019

Come join the Association Board in a neighborhood-wide Spring clean up. In an effort to spruce up our neighborhood and inspire some neighborhood pride, we are encouraging everyone to work together with your neighbors to clean up the ditches and the surrounding areas of all trash and debris. We are also requesting you mow and/or weed whack the tall grass/weeds in front of and beside your houses, mailboxes and lots. All bagged trash/debris will be taken care of by the Association by placing all items on the curb by noon on June 23rd.
